
Format For Senior Project Proposal

Paragraph #1

In this paragraph, you will state your area of interest and your essential question. You will give your personal reasons for selecting this topic and state what you want hope to learn upon completion of the project.

Paragraph #2

In this paragraph, you will describe the sources and outside contacts you think you will need in order to answer your essential question. You will estimate how much time you will need to devote to the research portion of your project. (Because everyone must conduct at least one interview for the I-Search paper, please mention who you think you will be interviewing and why.)

Paragraph #3

In this paragraph, you will discuss the possible products that can be created for your presentation. If you know what you will be producing, you may state it here. If you are unsure at this time, just mention the possibilities. You may conclude in this paragraph. In your conclusion, you may explain what it is you hope to gain from doing your senior project.

* Three fully developed paragraphs is sufficient for your proposal.
